The Best in Modern Dahlias

STANLEY JOHNSON

Pennypack Gardens

CHELTENHAM, PA.

Foreword

QUALITY:—It is the aim of Pennypack Gardens to introduce dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of sound foundation stock.

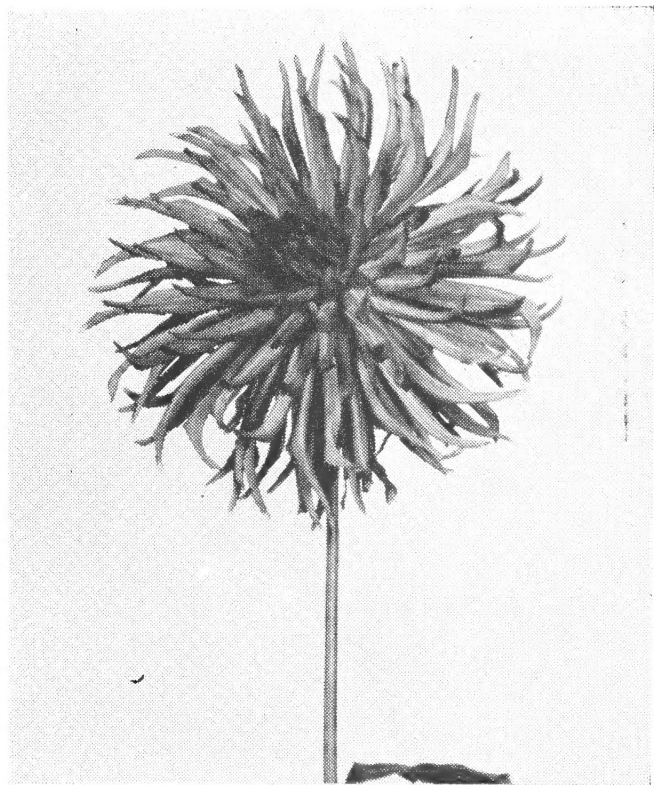

REPUTATION:—Show Record—Pennypack's new dahlias namely, "Whitehall" and "Paoli Local" were highly honored in 1949. Won American Home Achievement medals, gold medal certificates, best bloom of the entire shows, medal for most meritorious display and 54 first prizes in open competition. Garden Record—Both "Whitehall" and "Paoli Local" were certified at official 1949 American Dahlia Society's trial garden.

PRICE:—All Pennypack dahlias are priced right. Had the 1950 introductions, won every prize offered in all our shows—they would still carry a \$10.00 price tag. Policy—high quality, low price.

RESULTS:—You can expect. Winnings for 1949 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens has been carefully conducted. Any dahlia failing to grow properly under ordinary field conditions, does not bear the Pennypack label.
